BE A  
STUDENT  
AND NOT  
DESTROY  
PLANET  
EARTH**

Jon Clift & Amanda Culbert

**Bulk-purchase copies of this friendly and easy to use book and distribute them free to your students.** Give them all the information they need to cut their carbon emissions. Digital copies are also available to place online.

This book can be purchased as a standard edition, or we can **customise your own edition** with your messages and/or logos on the cover. The colour scheme/text style etc can also be changed **to reflect your corporate image**.

The first two pages are also available: you can enter information here, both text and pictures, about your campaign - explaining why, where, who to contact etc. The book is 96 pages in A5 format, in full colour. Further customisation is also available for larger purchases, please contact us to discuss.

**"An excellent guide on how to minimise your impact on the environment and save yourself money at the same time. It should be top of any student's reading list!"**

**– Dr Neil Jennings, National Student Switch Off Coordinator**
